

## BURNING

Burning of garbage is prohibited in the Town of Casco. If you are planning on burning brush, grass, etc., you must call the Town Chairman, Joe Lukes (920) 255-1363. Several residents have been burning as of late, however, they have not called it in. There is no charge for a permit.

## FIREWORKS

If you are planning on lighting off fireworks you must call the Town Chairman, Joe Lukes (920) 255-1363.

## GARBAGE

The Town has wonderful garbage and recycling pickup. We have noticed a lot of junk flying around. Items that are placed in the garbage bin need to put in plastic garbage bags. Let's do our part to keep our town neat and friendly.
