Luke Michalski gave an update on a 3 day Threshere that he plans to hold in August on his property off of Crevice Road. Parking will be on his property and food and beverages will be provided by the Dykesville Lions Club.

There were a few complaints on garbage pickup with garbage blowing out of the truck and some pickups were missed. The February calendar had dates listed incorrectly, but as of March it should be correct.

Joe attended the Luxemburg Fire Department quarterly meeting and received the annual report from the Kewaunee Fire Department. He also attended a county manure meeting where the proper parking of trucks on the roads was discussed. At the County Highway department meeting, the County C and River Road curve was discussed due to the large number of accidents occurring there. Rumble strips and flashing lights were talked about, but no decision was made at this time.

The County Board continued discussions on the jail project costs. The prospect of a 21 million dollar jail would result in an increase of taxes on a \$200,000 home by about \$290.00 a year. It was suggested that a survey be sent out to the citizens for input. The Town Board feels that people aren't aware of the project plans or costs. Attorney Steve Bruemmer from Milwaukee wants to donate \$100,000 to Bruemmer Park Zoo for a pheasant exhibit. This amount would be matched by Kewaunee County and Bruemmer Park Zoological society.

There was no citizen input.
